Storytelling is one of the oldest forms of entertainment in the world and is also the way societies hand down their histories and values from one generation to the next. It is currently enjoying a revival, thanks to a renewed interest in the folk arts which also include music, song and dance.

We meet once a month for an evening of stories. The stories are for adults and young people 14+, and there is usually an open floor session in addition to guest tellers.

There is a break for refreshments and homemade cakes

Anyone with a story can tell, however but no reading aloud allowed.
